Solution Alchemist

kArandhamin Consultancy is a startup in the field of consultancy and skill development. We have started our professional journey in the month of March 2026. We are very new in the business but not without engagement. We have clientele across India. We have our office at Navi Mumbai, India.

Our team members are having 10 to 30+ years of expertise, experience and exposure in various business verticals. We are giving Engineering, Management, Business & Sustainability solutions. Well-structured capability development programs also available with & without customization.

Transformation

We transform organizations by developing people, strengthening systems, and embedding a culture of performance and sustainability.

We are using our own expertise in following to do so,

- 🌀 Engineering
- 🌀 Management
- 🌀 Business
- 🌀 Sustainability
- 🌀 Capability Development

We provide onsite and offsite (including online) solutions, under our brand *mantradhArin*, for organisations in this regard. We have a team of Engineers and Management experts with us for solving any problem / situation (actually they are opportunities of improvements) faced in routine day to day jobs or for fixing on a long term goal attainment.

Our approach is agile and participative. We are formulating tailor made solutions which are best to fit in an Ecosystem of the organization. All levels are involved (as team) for observing / analysing / devising

Your Path... Our Way...

/ implementing / monitoring / maintaining them.

"We Integrate people + system + business + culture for you"

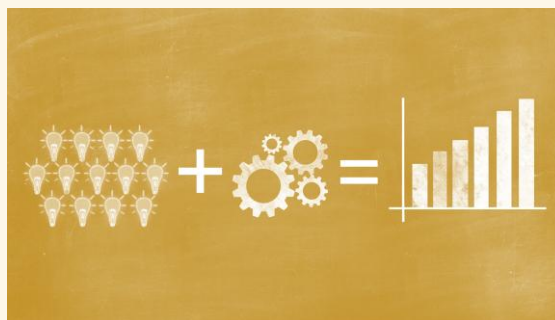

We don't just advise — we build capability and systems that deliver results.

Although, we like to make tailor made solutions but we have standard programs too. These programs are made with our experience, expertise and exposure during different opportunities of improvement we got in the past. Here are few of them listed,

- ✚ Business Performance Transformation Program (**BPTP**)
- ✚ Strategic Growth & Organization Development Program (**SGODP**)
- ✚ Lean, Culture & Sustainability Integration Program (**LCSIP**)

These well-structured program are for all levels – from shop-floor to boardroom & enabling organization to sustain in all sorts of ecosystem & market scenarios. Policies & Values are important to customize these.

We are your Transformation partner

Although we are new to enter in this market but having solid presence since the beginning of our journey. We have clients across India, to start with, that includes Maharashtra, Gujarat, Madhya Pradesh, Punjab etc.

At present, we have presence in construction, manufacturing, infrastructure, IT verticals etc.

Please connect with us for solutions which are tailored for you.
